Fan Block

White Cut nine 12 1/2" squares in white

Orange Cut nine circles from the template

Five fan colors Cut two 4" strip WOF

Place the template on the 4" strip with the center line perpendicular to the cut edge. Cut along the right hand side of the ruler. Turn the strip of fabric so that the cut end is on the left hand side, working from left to right. Rotate the wedge right and left Cut 36 wedges from each of the five colors.

Fold each session in half lengthwise with right sides together. Sew a 1/4" seam along the top edge. Trim the corner that has the fold

Finger-press the seam open. Turn the segment right side out and center the seam line on the central fold in the segment. Press the folded edges carefully, making sure the diagonal folded edges are balanced and equal.

Pin and sew twenty segments together to make a complete circle.

Fold 12 1/2" square in half and then in half again mark on the fold lines. Place the fan on the square, centering it with the fold marks. Applique the fan to the square.

Turn the circle edges under 1/4". Applique the circle to the fan.

Borders

White Cut 6 strips of fabric 2 1/2" WOF for first border

Orange Cut 7 strips of fabric 4 1/2" WOF for second border

Sew first border strips end to end after removing selvages. Measure the quilt, going lengthwise in the center and on both ends. Add the three numbers together and divide them by 3. This will be the length you will cut the sides. Sew the side pieces on, being sure to pin thoroughly before sewing.

Do the same for the short border, measuring the center and both ends. Add the three numbers together and divide them by 3. Sew the pieces on, being sure to pin thoroughly before sewing.
