

SEWING

Limited Edition

Sewing for the Designer in You

Built-in stitches, buttonhole styles and fonts

- 50 built-in sewing stitches including 5 one-step auto-size buttonhole styles.

Solidly constructed chassis

- Helps reduce vibration and noise while sewing and adds to portability of machine.

Built-in needle threading system

- At the press of a lever, the thread is pushed through the eye of the needle.

Easy stitch selection via unique dial LCD display

- Select desired stitch pattern and view in the large back-lit, information filled LCD display.

Lightweight portable machine

- Convenient and easy to take on-the-go or to classes.

Jam Resistent Quick-Set™ drop-in top bobbin

- Just drop in a full bobbin, pull the thread through the slot and start sewing.

Start/stop button

- Sew with or without the electronic foot controller attached.

Easy one-step drop feed button

- Drop the feed dogs to smoothly move fabrics for free-motion sewing and quilting.

Variable speed control

- Fast or slow, your machine retains its full power.

Super wide stitch selection

- More variety with each stitch, select up to 7mm in stitch width.

Included operation manual

Overview

Whether you're new to fashion sewing or a skilled veteran of the fitting room, you'll love the creative potential the enhanced Innov-is 40e brings to your design table. Beginners will appreciate the free-motion stitching and Quick-Set™ bobbin which

prevents top bobbin jam. It also has a built-in needle threading system. As any experienced sewer knows, threading the sewing machine can be a struggle for beginners. With this sewing machine, that job is done for you so you can focus on what

really matters in your sewing adventures! Dream it, then do it with the Innov-is 40e's wide array of decorative stitches and convenient machine features. Made by Brother™, powered by your imagination!
